Relax, unwind and indulge yourself at our tranquil spa and cottages in the countryside. Situated in an area of outstanding natural beauty at the heart of rural Sussex, Poppinghole Farm Spa & Cottages is the perfect place to take a break and escape from some of the stresses and strains of everyday life. Our spa offers affordable luxury pampering in purpose-built treatment rooms, which provides an ideal setting for spa days or one off treatments. Perhaps stay and holiday in our beautiful, traditional Sussex-style, luxury cottages.

Holiday with us

We offer four traditional Sussex-style, luxury cottages, each with its own individual style. The cottages form a pleasant quadrangle, with a Banbury fountain as the centrepiece.

All of the cottages have an open plan lounge and kitchen, vaulted ceilings and oak beams throughout. Every lounge features a log-burning stove that creates a cosy atmosphere on a chilly evening or a winter's day.

All bedrooms have en-suite bathrooms, and most of the cottages have a sofa bed in the lounge area to provide additional sleeping. We can accommodate up to 18 guests.

On-site facilities include an indoor swimming pool, plunge pool, Jacuzzi and pamper rooms.

In addition to the traditional holiday, we offer farming experiences with our lambs; equestrian holidays with first-class facilities, bridleways and woodlands close by for safe hacking; fishing at our well-stocked natural lakes; and walking holidays where you can leave your car behind and enjoy the many walks available directly from the farm.

Poppinghole Farm Spa & Cottages is close to many historic towns, castles and buildings, seaside resorts, glorious gardens and is within easy reach of London.
